“ I am so sorry for the loss of your mother and mimi. She was a great person and a dear friend. She took care of me through my health trials and always greeted me with a smile when I was having a bad day. I never even knew she was ill until she was really ill. She never complained or acted like she was ill. She only thought of others and greeted people with a laugh or a smile. I will miss her. I pray the Lord comforts you during your time of loss.

“ I met Debbie at the VFW along w/her friend Jennifer, with me being new to the area they welcomed me w/opened arms. We had this joke about Elvis, (only debbie and jennifer know) and when we would see each other we would tease each other about it--- And now you can go see the real " Elvis". Dear friend I know you were fighting a hard battle, and you will be dearly missed, your family will be in my prayers.

“ Dear Robyn and Ryan,
Jesus said "I am the resurrection and the life - The one who believes in me, though dead, shall live" (John 11). I know words are hardly a comfort right now, but I hope you'll take strength in the promise of the Lord. When Debbie breathed her last here, she began life with the Lord in a way we can only dream of. She's home now. Although we'll miss her - as we should - we do so with the eager anticipation of being with her again.

“ Dearest Robyn,

First and foremost I have not seen you in years..... I wish I could just wrap my arms around you right now... I just heard of the news.....I have you and your brother and your 2 kids in my prayers right now. I talked to your mother not long ago. She still had that vibrant laugh and smile and did nothing but talk about Ty and Tory (HER LOVE) I told her to tell you hello and that I had missed seeing you around.... I will never forget you and I running over to BEATON PHARMACY DAILY to get something to drink or get Christmas cards engraved or to borrow a little money ;O) Your mother was a precious woman that always was the topping on the cake with laughs....You were there for me when my dad died and for that I am grateful...Words I know can not describe what you and your family are going through..... but.... You can have a peace knowing that prayers of peace and comfort are going up all over....May God be your peace and comfort during this time.....I love you girl..... Vicki

“ I am so sorry to hear about Debbie. She was always so kind to my mother before her death in 2000. When my mother would need her medicine delivered and they couldn't get it to her right away Debbie would always bring it to her. She was such a nice person and always thought of others. She will be rewarded for all her good deeds. I know it is very hard on the family and my thoughts and prayers are with you all.

“ Robyn, Joe, Ryan, Tori and Ty -
I love you all very much and am amazed at the love that you all have for Debbie and each other. Debbie is amazing and she touched everyone's lives in a way that will never end. You couldn't know Debbie and not love her and respect how hard she worked to make sure everybody was taken care of - and not just her family. I will keep all of you in my prayers and thoughts as you continue to work through the adjustment.

Robyn - you know that I am a phone call away, I love you.

“ *Debbie was one of the nicest people you could ever hope to meet. I went to school with her sister Janet who was also just as kind. All the years that we traded with Beaton Pharmacy, Debbie was one of the best. She was always very pleasant, very friendly and very respectful. She has many friends and family and acquaintances that will miss her dearly.*

“ *Dear Robyn, Ryan and Mrs. Perry,
I am so sorry to learn that Debbie lost her battle with cancer. I have to believe that she is in a better place where there is no more suffering. I say that because I lost my Mother on May 20th. I regret that we didn't stay as close as we were in high school, but at a time we were as close as sisters. We shared many fun and careles times together. I do know how much she loved her children and grandchildren, I hope that is a comfort to all of you in the days to come.*
