“ My prayers go out to Debbie's family. I have known her most of my life and she was a joy to be around. I know how much she loved Bob and was so thankful that he came into her life. She was a great person that loved all her family so much. She always had a smile and so much energy. I know now she is with her parents and especially beside her wonderful mother that she truly cared so much for. Debbie will certainly be missed and has left a place in many hearts she touched over her lifetime. Someday we will all see her again.
