“ Things that made me smile about Deb....

*She introduced me to "Bounce your Boobies" song that all ladies took time out of our Friday afternoon to celebrate, as our Boss locked himself in his office.*

*The time we made Erik Estrada do a complete photo shoot with our Sales Dept. and her photo was her looking up at the stars as IF all of her wishes came true.*

*Was one of the BEST cooks that I have ever known.*

*Her laugh. You always knew when she was really happy when you could hear that infectious laugh*

*Our latest times watching Grace and Frankie at Maryanne's place. Three middle aged women having a slumber party and laughing. Great times!*

*Her smile and my last hug from her 2 years ago.*

*I feel blessed to have called her my friend. She loved her daughters and grandchildren with all of her heart and when she talked about them, always glowing and smiling.*

*Heaven now has Deb Deb as an Angel. We will miss you my friend.

“ I introduced Deb to the Newcomers Club when she first joined. We frequently sat together and I got to know her and what brought her to Corsicana. She was a talented artist as well and had her work displayed through the Art Guild. My condolences to the family. Deb was a beautiful person and will be missed by all her Newcomer friends.
