“ I remember Debbie as a five year old when we visited Uncle Ray and Aunt Martha in Waco in the 1950's. She was full of energy and a happy child. I know she touched so many lives in a positive way. As believers in Jesus Christ, we know we will all be united again. Paul said "I know in whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day."

Blessings and peace to all who knew Debbie.

Debbie and I worked together for many years at Collin Street Bakery. She was a hard worker, effective manager and friend to all her co-workers like me. Back in the "mail order days" we had to get all those hand written orders into the system daily. No matter what it took, Debbie managed this vital task. We missed her husband and now we miss her.
