“ *Anne, Donna, and family. It hurts my heart to here of Debs passing. Miles separate us yet spirit does not. We know in the mist of the storm who sustains us. His ways sometimes are not of our understanding. You are always in my prayers. Joel DeMoss (Joey)*

“ I met Debbie at the BGElementary school where we both worked. She was the hardest worker I had ever seen and she was the only cleaning staff we had. She could keep an entire school clean all by herself till bad health set in. We all loved Debbie and hated to see her leave the school . I then got to see her at farmers market with her family and now I will miss seeing you there. God bless her kids grand kids husband and family. Prayers to all of you

“ Dear Ann and family, I'm so sorry to hear of Debra's passing. I was stunned. I pray for the peace of Jesus to comfort you now. Jesus said in John 14:1, " Let not your heart be troubled; ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so, I would have told you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there you may be also." Love and prayers to all of you, Mark Douglas and family.

“ Ann, I am so sorry for this tragic loss. Wish I could have known your family better. We were all so close as children and I always loved you all so much. I can see the family resemblance in Debra's picture. Will see you at the service. God Bless. (Bobbie)

“ Our family has suffered a terrible loss in the passing of Debra. As children we spent the majority of our lives together. The most important thing to Debra was family, she always said family is first and her actions always supported her heartfelt belief in that. God's promise is the only thing that will get us through this. I love you more than words can say Deb. Until we meet again...
