“ *Residing only a block away, cousin DeLene was always part of my life. I have fond memories of playing dress-up in her beautiful recital gowns; sharing dolls, stuffed animals and music boxes; and having late night chats while she and Ninnie helped me through my Mom's illness and death. Her faith never wavered. She was confident in her Christianity and tried to encourage all of us to be.*

Jack and I, being the same age, grew up like siblings. Their home was a second one for me...and always has been. DeLene showered us with good food and a few stories of our ancestors. And, of course, a few laughs at the pictures she lovingly took of relatives with no heads!!

We will cherish those snapshots alone with memories of her.

*With love,

“ I was present when Delene was born to my sister, Naomi. A more beautiful baby I had never seen. I baby sat her many, many times., before I moved away from Corsicana. Delene was an outstanding example of "Faith in our Father" and attending church was her number one priority. We will miss you Delene but you are now in the "Hands of God" where you will be well taken care of! Rest now in Peace dear one with your wonderful mother and father. To Marjorie and Jack...I love you dearly and wish I could be with you to comfort you but due to numerous health problems I can't travel...you are in my prayers always....

Elaine.. I've been reading all the sweet posts... And I seen that last of yours to Marjorie and Jack. I am unaware if Jack can see all these. But am aware Marjorie is clueless with technology but I will give her the message and to Jack as well.

“ So sorry to hear of Delene's passing. I worked with Delene in Corsicana Child Nutrition for many years. Although we worked at different school cafeterias we came to know each other well. Delene was always at our association members meetings, and gatherings and willing to help with all things. She enjoyed her work and attended many state conferences with the group. Delene achieved a number of levels of certification in our field of work. Delene had an independence about her and a kindness along with it. I will miss seeing her occasionally and chatting with her. - Ann Atchley

“ DeLene will always be remembered by the CHS Class of 1957 as a sweet and caring person who saved all our information in wonderful scrapbooks. She collected articles about and photos of our classmates every single time one of our names was in the paper - long, long after we graduated. She attended every reunion and shared those scrapbooks and memories with all of us, for which we will be forever grateful. We will remember DeLene always.

I attended Lee School, Sam Houston School, Corsicana Jr. High, and CHS (for one year) with DeLene. She was always polite and caring, quiet and thoughtful. She will be missed by all of us.

“*Delene was a very good friend to the Liz Gillispie Genealogy Department. We will miss her laugh and her dedication to preserving her family history. When she was here and someone new came in she would keep an ear peeled for names that she might have researched or maybe even went to school with. She will be truly missed.*”

“*Delene was a wonderful Christian lady. In 1967 she wanted to do some baby sitting. I had a toddler that changed her mind after a couple of weeks. She loved children and always had a a sweet kind way with them. Delene was also a great cook as well. We would share tips from time to time. Delene will be greatly miss. Delene will be greatly missed by all that knew her.*”
