“ *Oh My Dear Sweet Denise, I am so so hearbroken to hear about your passing. You were always filled with so much love, care and compasion to so many people around you. You opened your home to me when I visited Corsicana as an exchange student for more than 25 years ago. I am ashamed of myself for allowing us to lose touch and contact for so many years. Life has been tough sometimes but that is no excuse. I tried to reach you for a couple of years back when my mom passed away. She loved you too. Now I tried again as I am planning a visit to Texas and wanted so much to see you. In my research I found this page. Now I hope you will meet my Mom and Dad in heaven, because there is no other Place for a beautiful soul like you. If any of the Nelson and hambrick family or closes friends that remembers me happens to read this, please contact me. I would love to hear from you and their children. With much love and humbleness, Edith Sanchez, Edith.petty.sanchez@gmail.com, 46730205463*

“ To say Denise was a special person is an understatement. I was fortunate to have started school with her in the first grade at Sam Houston and finished with her at The University of Texas at Austin. It was always an adventure being with her. She was intelligent, quick-witted, and plain spoken. There was no pretense with Denise. She was as genuine and honest a person as I have ever met. I miss her dearly and for selfish reasons wish she was still with us. Yet I know she is in a better place happily reunited with Eddie and her beloved father. May God Bless her family and comfort them as He alone can.

“ I had heard many stories about Denise, from her nephew Billy, long before I met her. I came to admire and respect her through his stories. I later learned that Denise was a special person who was an inspiration to all she knew. When I meet Denise she was wonderful to talk with and I enjoyed our conversations. I came to learn that she was a Hero to most who knew her. Now, however, I have come away with the knowledge that Denise was not just a Hero respected by all, Denise was the "Wind Beneath Their Wings" for an entire town.

“ *So sorry for your loss. The family trip to Disney comes to mind. Who but the Hambricks would head out on vacation with both parents in wheel chairs. He always had pictures of the family he was so proud of. I worked with Eddie, one year at our Chinese Christmas I froze a beautiful gold cross tree ornament. Since everyone had wanted it, she went out and bought each family one. She was an amazing woman that will be missed so much by her family and friends. An inspiration to us all.*

“ I know Denise will be missed by all her friends and relatives. I worked with her husband Eddie for many years. We all loved them both and their children, how excited they were to have them. Eddie was very proud to show pictures of the family. Their family vacation to Disney comes to mind. Parents in wheel chairs. How many of us would take off on a vacation like that. One Chinese Christmas I froze the gift of a beautiful gold cross tree ornament. Since it was wanted by all the women, she went out and bought them all one.

*Dear Sweet Denise... You will be greatly missed. I will never forget your smile or the way you brightened a room when you rolled in. Your accomplishments amazed me. Nothing was beyond your reach physically, mentally or emotionally. You tried it all and excelled at it. I was blessed to be your cousin and to know you all your precious life. I will treasure the memories of the times we had growing up together. Rest peacefully knowing God will continue to bless the family you, Eddie and He so carefully brought together. We ALL loved you and will miss you.

My thoughts and prayers go out to the Nelson and Hambrick families. I had the privilege to work with Denise as her inclusion aide at CHS. She was a very caring, loving and had a lot of spirit. You will be deeply missed my friend. But you have been called to Heaven to do greater things and prepare the way for us her on earth.
