“ Words cannot express how very sad I was to hear of your loss. Mikey was a friend and a good father, I would see him out playing with his kids and he always had their best interest in mind. He was very kind to me also by giving me a puppy that has made me very happy in my time of loss. His voice will be missed in the neighborhood. My heart goes out to those children for their loss. But I know that Connie and Randy and Kristina will all take very good care for them and will never have to be worried about being LOVED. You are in my prayers always.
