“ The time Dennis and I spent together was short, as with everyone else, but the effect he had on me I will never forget. I knew how much he was loved from the people that were around him. I will always remember you D.P.

“ Dennis, you love so intense and so much. You can find peace now, and still love without limits. You will always be in our hearts. We will always love you.

To my family,  
Even though I am unable to be there, I love all of you. You are in my thoughts and prayers. We remain in the prayers of so many right now. We will make it through, in time.

“ Dennis, your light is out too soon, your time with us too short. There is now another empty place in our hearts that belongs to you. In the good times and the bad, you were always loved. But now you have a bigger job, to watch over and protect all of us you left behind. I know you'll do it well, my darling nephew. Sleep well with the Angels. We'll see you in our dreams. You'll be loved and missed forever.

*To my family, I love you all. God will help us through this dark time. Don't forget to ask for His help. We are in everyone's prayers here. We now have another Guardian Angel watching over us. Let's make him proud and not overwork him.*

*All my love, always,  
Aunt Donna/Donna*
