“ Dennis is home now and will be missed. He always had a testimony to give how God had changed his life. I remember how tough he appeared but how warm and soft hearted he was. He had no problem showing tears when it came to what Jesus was doing in his life. What a true witness he had. You will be missed. See you on the other side brother. Rest in peace Dennis Rains.

“ Big D, where to start? I met you almost twenty years ago and I was just 18 at the time. We worked together for nearly 16 years and during those years we had many great memories together. You taught me many of things through the years and not just work related things, things such as gardening, marriage, and being a parent. We shared a lot of interest in many things. We both loved high school football and the Texas Rangers. I am so saddened to hear of your passing. My thoughts and prayers to all of the family.
