“ I've never had anything hurt as bad as the news of our Susies' passing, in fact there will always be a void in our heart. When I picture Susie in my mind I see her great big smile and the way she made me feel, It was as if we were meeting each other for the first time,speaking to me as if I was the only person in the room. I will never forget how happy Susie was when Debbie told her that I was going to be part of the family and soon after the six of us,Randy,Susie,Donna,Jerry,Debbie, and I began spending a great deal of time together hunting,fishing, hanging out,and I remember the time we all went to see Willie Nelson in concert in Athens, Texas in 1979.I will never ever forget Susie and what she means to me. I'm looking forward to the day we meet for that first time again.
Randy we love you and God Speed to you.

“ To the Massey and Ganze Families: I was so sorry to hear about Susie's passing. I remember Susie as being a very, very sweet person (as all the Massey girls and family were). From what I have read, there will be a great void in Corsicana, with the passing of Susie.

May God bless you and keep you strong during the days and months ahead. May He also give you peace in your heart until you meet again.

Sincerely,

“ We are so sorry to hear of Susie's passing. Everytime we saw Susie she had a BIG smile on her face and would talk of her boys. Jeffery and Dustin- I know how it feels to lose a parent. It will be hard for awhile and it will seem like it will never be better but time will heal the pain. Just keep the great times in your mind and heart and laugh about them. Hold strong and just know that she is in a better place watching down on you and is no longer hurting. Susie will be greatly missed by all. Be strong guys. We love you.

“ Susie and Randy's business is next door to the home of my parents, Jim and Mildred Curington. They have been kind and thoughtful neighbors through the years. While Dad was alive Corsicana experienced a lengthy power outage that disabled his oxygen machine. Randy and Susie graciously ran electricity from their shop to my parent's home to sustain them through the outage. Susie never failed to ask about Mother's health and see if there was anything she could do to help. It was always a joy to watch her lovingly attend to her little dogs. We will sorely miss her smiling face and kind spirit.

“ To The Family, Please accept my deepest condolence for the loss of your dear love one. I would like to share some words of comfort from God's word the Bible. John 5:28,29 and Acts 24:15 assures us that those who have fallen asleep in death have the wonderful hope to live again. Also take comfort in Revelation 21:3,4, where at that time SICKNESS,PAIN,DEATH,MOURNING,and OUTCRY will be things of the past,GONE FOREVER. Please take comfort in these encouraging promises.

“ Randy and Sherry and Donna, You know I never heard a single bad thing about Suzie (which in itself is remarkable and tells a wonderful story about the kind of person she was)and she was always smiling. Even through this terrible news, I find myself smiling just remembering how her smile could brighten my day. I remember the very last time I saw her was just a few weeks ago and she was brightly smiling so that when I got to work, my step was a little lighter. I'm sorry for your loss. Please let me know if I can do anything.

“ Dear Randy and boys, Ganze family and Massey family

My heart aches for your loss. Working with Susie for years at Quality Home Care, I like others knew that she was a very special lady. Hold on to the many memories that you've shared and know that Susie will be watching over each of you from up above. Words can't express how much Susie loved her family, but it was so evident when she talked about each of you. Her face just glowed with such a sweet smile. I was blessed for having known Susie. May the Lord's arms wrap around you and give you strength to get thru this difficult time and the days to come.

“ I worked with Susie for 3 years in the Admitting Department at Medical Arts Clinic. We were always short handed and Susie, Patty and I got to where we could fill out a chart, answer the switchboard and take payments at the same time. I am not exaggerating either. We would literally do all those things at once. I loved working with her. In all honesty, I've never worked with anyone as well as I did with her and Patty. We were three of a kind. I've kept those working day memories in my heart and think about them often. I know that she loved her family and her family loved her. She would glow when she spoke of Dustin, Jeffery and Randy. She was a beautiful, sweet, caring person and will be greatly missed. God bless you Randy, Dustin, Jeffery and all your family.

“ Dear Randy and Family,
I am still in shock to hear about Susie. I saw her the other day and was kidding her about how old we were getting to be. Susie was my best friend in Fannin Elementary. I have so many wonderful memories of growing up together. Times goes by but I never forgot her birthday it was 4 days after mine and not a year past that I didn't think of her on that day.
Heaven has received another angel to watch over you and your family. Cherish all of your memories together and the love you shared. Only time will help to ease the pain. How well we know your loss. You all will be in our thoughts and prayers in the days to come. If there is anything we can do to help, please let us know.

“ Randy and sons, Ganze family, and Massey family. I am so sorry to hear of Susie's sudden death. You're never prepared to lose a loved one but when it's sudden and so early in life, it's even harder. You have no time to prepare, and you merely function.

Debbie, I just met you on the phone today. The hurt in your voice was moving to me, since I treasure my sisters so much. A sister is a best friend.

I will be praying for each and every one of you. God's love will lift you up and eventually help you to understand why Susie had to leave you so early. She awaits you all in a place that is above all expectations.

God Bless you.
