“ *What I remember about Don is his laughter...He always loved a good joke. I remember many Christmas's at his house. My father-in-law would always plan for a practical joke on me. Christmas after Christmas, Don and the whole family would just laugh and laugh! I'd look around and there was Don, laughing to no end. He was good natured and true to his family. Prayers for Aunt Wanda, Jimmy Don, Mike, and family.*

“ Don and I went to Travis Elementary School together, along with many friends. He painted many walls for Corsicana I. S. D. and my house when I was getting ready to sell it. I remember him teasing me about one of the bedrooms being the side of a closeth.

My Condolences to his family and many friends.

Fly High my Friend.
