“ *Donald Magouyrk*

---

October 08, 2023 at 12:04 PM

“ *I was so sorry to learn of Don's passing. His passion for his work and his family will stick with me forever. I was so privileged to work alongside him during my time at Ingersoll Rand. May his family find meaning in this tragedy and may all who knew him know lasting peace in recognizing that Don's impact will be felt for so long even now that he is gone.*
