“ *Donnie was a wonderful man that grew deeper in the Lord as he got older. He had a personality about him that drew people to him.*

*I knew him and his entire family from the time I grew up in B.W. Johnsons church. I know he is in heaven now with his family around him.*

*Keith only got to know him in the last ten years but thought so much of him.*

*He will be missed. We are thankful that he will no longer have to suffer the physical pain.*

*We know his children will miss him terribly. Our thoughts and prayers go out to them.*

*We will always remember and think fondly of him as the years go by.*

“*“Big Don”, as the guys used to call him, was truly a great man. I knew Don from early in Jr. High, and we played on the first Collin's Jr. High football team together. Don was one of those talented players who could knock your socks off one minute and pick you up the next. We spent a lot of time together in the mid sixties riding Beaton, much as the kids do today. We also went in to the service at the same time. When Don was overseas, we wrote back and fourth and one thing was clear. He wanted to come home to those he loved. Through all of these years, he has remained my friend, and I will miss him. He was truly a unique person. Full of humor, love and kindness for those he encountered daily. May God bless the family, and keep his memory precious to all.*”

“*Donnie was faithful unto death to his God. We hurt with you to know the pain and suffering he went through, but God is faithful and knew that his appointed time to come back to Him was yesterday. Know that each of your ministries to our beloved Donnie was to let him know he was loved & not alone. I know Gelene has again wrapped her loving arms around her son who has come home. His granddad Jess Bibb is rejoicing to be with him. We will all be together again someday. Thank God for the years you all had him. God bless each of you and comfort your hearts.*”
