“ *To the Family of Mr. Wiley:
Look to the hills from which cometh all our help. Trust in the Lord.
You are in our prayers. Mr Wiley was the head coach for the Midget
National Blacks on which I played. He gave me great direction when
I needed it most which made me the man I am today.*

“ I'll always remember Don for his sense of humor and his smile. He came across as being gruff, but when you got to know him, he was just a teddy bear. I always enjoyed our converstions. He will be missed.

“ *To Ronnie, and family:
We are so sorry for your loss of Don. We will be praying for all of you. I will pray that God will bring you all peace and comfort during this time and the days and months ahead. It will be tough, but it will get easier as time goes by. But it doesn't make you miss them any less. All you can do is take one day at a time.
Ronnie, if you need anything, please let us know. We love you and will be praying for you and your family.

“ *Ronnie and family, please accept our condolences. Martha came by today to tell me the sad news. From our conversations over the years I know you and your Dad had a very special relationship as did my dad and I. Mine has been gone almost 10 years and I still miss him daily; but time does heal all wounds and you will have better days ahead.*

Even though we can't be there for the funeral, know that you and your family will be in our thoughts and prayers.

May the Lord bless and keep you.
