“ What a sweet sweet person. I only knew her from the farmers market but she always had a smile and it was obvious how much she loved people. My prayers is for spiritual strength and our Lord's peace for her family and loved ones at this time 🙏. Farmers Market will never be the same without her.

“ There's so many memories of my long time friend/ but what stands out most is her genuine kindness and unconditional friendship/loving faithful friend. Our kids grew up together and their relationship is a testament of true friendship so loving and kind being there for each other whenever needed. I will always remember her as one of the best friends I have ever had in my life. I'm sure she's enjoying treasures she's earned from doing The Lord's work while she was here. She will truly be missed by all who knew her. ❤️ Janie Cantu
