“ *I dearly hope that the angels take as good care of our precious Donna, as she always did of our mother, Sylvia Goldman, for many years. She was a true lady, and a dear friend to me and my family. My Mother adored her, and appreciated her kindness and warm personality. She will be greatly missed.*

*My sister and I would very much like to send her grandson Zachary a note, as he often visited mother and us. if possible, please forward it either to my email, phone or address listed above.*

*To all of her family, who she lovingly talked about often, please accept my deepest sympathy, and know that your loss is also strongly felt by our family.*

*God Bless.*

“ *ZACHARY, I'M THE ONE THAT DID YOUR GRANDMOTHERS HAIR SEVERAL YEARS AGO. I MET YOU A COUPLE OF TIMES. SHE LOVED YOU SO MUCH, SHE WAS A VERY SWEET LADY AND WILL BE MISSED. SHE TALKED OF HEAVEN AND I'M SURE THAT IS WHERE SHE IS NOW.*
