“ *A beautiful gracious lady! She & Tiny opened up their home in Waverly, IL each weekend for the truckers (& spouses) for coffee, snacks & of course, trucker's talk!! Such good times! I never got the chance or opportunity to let her know I learned to drink coffee-Black! When the truckers traveled to Texas or Florida & Georgia for loads of watermelon, pickles, or "whatever", some of their spouses (or "friends") would have the chance to ride along. I was among the younger ones & always ordered tea to drink, Donna always teased me good-naturally about not getting coffee. I think we all really appreciate the friends we've acquired through the years! God's blessings to Donna's family!*
