“ *Donna and I have been friends since 1984. She was a very dear friend. We were more like family than just friends. When she loved you, you knew it and she loved you deep. I will forever laugh at the crazy things we did, the talks we had and the tears we shared. I will miss her so but have faith that we will one day see each other again. Until then.... rest in peace my dear friend. I love you with all my heart! May God bless and keep Virginia and the boys safe in His perfect peace!*
