“ *Doris, Tammy, and Jimmy*

*I am so sorry for your loss. I met Donnie about 7 yrs back while doing family research and discovered a link between our families. She was always so sweet to me. She was thrilled when Bobby started seeing Tammy -- said it made us that much more related. She is free from all the problems she had experienced with her health, she is watching over all her loved ones now, and will always be in our hearts. She will never die as long as one of us remembers her. Our sadness is for US but JOY for her .. she is in a place that we can only imagine.*

“ Sorry to read that your mother has fallen asleep in death. I did not know "Donnie" Reading the wonderful comments about her she was really a wonderful person to know. Please accept my heartfelt sympathy for your loss. May you continue to rely on God who promises to comfort us during our times of distress. Philippians 4:7 reads ""and the peace of God that excels all thought will guard your hearts and your mental powers by means of Christ Jesus". The love of family and friends will continue to embrace you and give you strength in the days, weeks and months to come. Your family will be in my prayers.
