“ This saddens me deeply; he was one of a kind and I will miss him dearly. I have so many good memories of him as well as some mind-blowing ones, I'd call showstoppers that will carry on in my mind and close to my heart, forever. Donny was a good friend and a good man; he never met a stranger because he treated everyone as if he had known them his whole life even on your first encounter with him. You never had to wonder what he was thinking because he laid it all out there, unfiltered, and he would always come to your rescue, without hesitation, you could always count on him to be a friend and that is what I'm going to miss the most. He was a good person and a good friend to me, I will miss you, I love you buddy

“ My twin brother Donny was something else. He had a good heart and loved as much he was loved. He was happy as I ever seen him before he passed. I don't know what to do without him. We are part of each other and for a while it will be till we are reunited. He was my best friend and my companion. He always knew what to say when I was troubled. He would have protected me through anything. We were together when we came into this world and we were together when he left this world. I cherish the last moment I felt his skin on my hands and I savor the last sight of his face as I left from him to be the one that went home on that awful night. Everything was so sudden and unexpected. I was drawn to him, to find him before anyone else. That was God's plan for him and I to be together as one as he left this earth. I love you Donny and miss you every second of every passing hour. I never realized how much a part of each other we were to one another. Donny , you made me to be me you are half my identity. I am so proud that you and I could be twin brothers.. we will be together again. I love you, and miss you. It will never be the same without you. Rest in piece, Donny Hugh Hanna wish you were hear.

“ Donny was one of the good guys. There was a lot more to him than most people knew. . he had a very soft side he tried to hide, Although he wasn't very good at it...lol Once upon a time we helped each other thru some rough moments. It's been a few years since I last seen or spoke to him and that will be a regret I carry with me. RIP friend.

“ To all of the Hanna Family. So much of the community is deeply saddened to hear about Donnys passing. Mr. and Mrs. Hanna you raised two awesome sons. Donny was such a character, but his heart is truly genuine. I will continue to pray for you Mr. and Mrs. Hanna and Terry. I became a huge prayer warrior for Donnys healing a couple years ago when he was hurt in Angus. I believed for a miracle. I am believing now that through this tragedy God will reveal himself to so many. If you need any meals or your house cleaned please tell Terry and I would be honored to help in any way in your time of need. Sending Love and many prayers to each of you 🙏🕊️
