I was so sorry to hear about your mom. I will remember you and your family in my prayers... I wish I could do something to take the pain away, but only time will lessen it.

“ Growing up Doris and Keith lived by us. She has helped me out of trees alot, because I was scared of heights, but I would climb them anyway. I can still hear her tell Pam , Mike and I that if we could`nt all three get along that we could`nt play together. She would take me places like the zoo. She was a very fun lady. As we get older , we don`t visit as much....however our thoughts are with our loved ones. I know that Doris will be very much missed by her family. She loved ya`ll very much. Not only did Doris love her family , she loved her church. My prayers are with you all.

“ Eddie, Vickie, Mike and Pam
So Sorry for the loss of your mom. Your mom was a very special person to me. When we graduated from High School she asked me what I wanted for graduation and I told her a new pick-up, so on grad night she came to me and handed me a package and in it was my brand new green Chevy pick-up. It was about 4 inches long and was called "Hot Wheels". She told me this was my new pick-up to make money with. I will never forget it or her. By the way I still have my litte green pick-up.
