Oh I always loved her fixing my hair she was my favorite hair dresser of all time! Most of all she was my sweet friend. We will miss her so much as time goes on. “ *I remember when I first met Doris. She was wanting to put together a variety show for our apartment complex. I GGF el put Ed her with the program, and the show was such a huge success. Her interpretation of Dolly Parton was genius yet we all did get a few chuckles from it. She made lots of friends at Evergreen of Mesquite. To be honest the color she used on my hair was perfect. We always had something to laugh at. She will be highly missed. Glenda Jensen*

Willene Pate loved to be in the Variety Shows at Evergreen with Doris! Doris asks me to help with it one year, so I did so on behalf of my mom, Willene Pate. We had a blast putting the skits together and staging the show. Doris is and will always remind in my heart as the kindest and warm 💕 person I've ever had the pleasure of knowing. I'll miss her terribly but thank goodness can reflect on the variety shows CD's she lovingly put together for the participants and audience which so loved supporting her shows. ❤️

“ Billy and Kathy, I have known your mother all of my life. We went to Mildred school together, played sports together, finished school together. I used to spend the night at their house many times over the years. I am completely shocked and broken hearted to hear the bad news. Your mother was well loved by everyone who knew her. Your family are in my thoughts and prayers. Rest in Peace my beautiful friend, Doris Coker Walpole
