“ *Yes unfortunately it is. Since, WPJB 3.0 is prttey much a new software (completely rewritten from scratch) the upgrade is actually impossible. You will need to buy a copy of WPJobBoard 3 and than you will have access to the script and all the upgrades. The good thing is that now you can use existing customer duscount*

“ *To Verna and family:*

*Thinking of your entire family and praying for you all during this time. I pray that God will comfort you all and that His peace will be all around you. All my love,  
Emily*
