“ *I loved Aunt Dot so very much she always made me laugh. Mammaw always called me Little Dorothy because I didn't scrap the pot out completely like Aunt didn't.*

No matter what was going on in her life she always saw the good things.

She gave me such happy memoriesto remember.

My father, her brother is taking this very hard right now but I shared with him that she is at piece and that she is crying for us because she has gone to a far greater place than here on earth.

My thoughts are so much with her children right now. Remeber her smile and her laughter.

With All My Love,

“ Linda, You & your MOM both have become such a special part of my life. What a blessing for me to have known & loved your MOM & for her to have loved me! Thank God we were able to get her hair fixed. I will always have the wonderful memory of her saying "There's that pretty lady" & her beautiful smile. (oh! & the 2 dollar bills in my shoes. I got a real kick out of that. She was truly very special to my heart, as you are. May GOD be with you & your family & give you strength in knowing she's in a much better place!! and with your Dad.
Please call if I can do anything. All my love & prayers, Geline
