“ Dorthy will be missed dearly. I used to go over to her and Troy's everytime they rescued some new creature so that Cody could check it out. Cody loved Dorothy and Troy and will miss her also but she is in a wonderful place now and even though she will be missed here on earth she has no more pain and sickness and we will see her again. All my love to the family, Jennie Sutton (Stroder)

“ My prayers are with you all. Dorothy and I had many long talks and walks when Mark and I lived in Emmett. John-Mark and I were remembering the time when he planted an apple tree in our yard. She came over and hung apples on it. She was a wonderful lady.

“ I am so sorry for the loss of your mother. She was a wonderful person that would give to her family and her community. I can remember all the times on doing her newspaper route that she would have a green apple sucker in the tube waiting for me. Mrs. Connor was always a joy to see and spend time with. She will always be remembered and will spread her spirit to others. The loss of your loved one will get easier as time goes on but is very empty at the beginning. Again my sympathy goes out to Gary for the loss of a parent.
