“ *Dear Kenneth and Family,*

We extend our deepest sympathy in the loss of your sister, Dorothy. Our prayers and thoughts are with you as you travel to Texas and back--and as you and your family deal with such a loss. Dorothy left her fingerprints on many peoples' lives...may you find comfort in how she touched and changed others for the better. I know Heaven is richer for her entry--and I know this planet is much better because she made difference and is still making a difference in the lives of so many.

Prayers,

“ G.H. and I were friends with Dorothy and Buck Thompson for many years. We used to take Buck to eat fish every 2 weeks or so. Dorothy went with us on occasion. G.H. also drove Buck to the veterans hospital at times until G.H. lost his eyesight. Dorothy was also my hair dresser for many years. She also went to our church at Westside.
I want to send my love to the family and tell them that Dorothy is with God now and she will never hurt again. I know it hurts to loose her here on earth but God will send you strength to carry on. God bless each of you.

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
