“ *My wife, Beverly, and I have lived across from Dorothy and Carl since 1977, and have shared several great visits with both of them. It was such a great pleasure to listen to them talk about their past day's when they were growing up. I'll never forget, about 3-4 months ago, Dorothy was driving around the block, and I was at my mailbox. She stopped and said "don't you know better than to walk out in front of an old blind person". We both laughed and I told her that I could not be run over by anyone nicer. I will certainly miss Dorothy, just I have Carl, but am so grateful that they have been a part of my life.*

“ We live across the street from Dorothy. I have known Dorothy all of my life and have always loved and admired her. When we were kids we would go to Jimma Traweeks house where she would have sing alongs and Dorothy was always there playing her guitar. We always had so much fun. She even played her guitar for Delayna a time or two when we visited. It is so sad to look across the road and not see her light on at night. She was a wonderful sweet lady. She will be missed. I am so sorry for your familys' loss. I just found out a few weeks ago, and I am so sorry. God bless.
