“ When I was a little girl Dorothy was the big sister I looked up to. I remember sitting on the floor and brushing her hair. All through my life I have always known I had a friend and someone who loved me in Dot. I had 6 sisters and one brother, they are all gone now but two of us, my sister, Thursday and myself. I miss them all and I know Thursey and I will miss Dorothy.

“ *Lonnie & I always loved seeing her & serving with her in Church. She was a great inspiration to us with her sweet friendly smile & the way she glowed in loving the Lord Jesus & the encouragement she gave to everyone including us. She's sitting at the feet of Jesus now & awaiting to see us all one day soon. I'll see her there. ❤️*

“ *She was a faithful follower of Christ and great is her reward. I remember her singing a special at Spence Park Baptist church many times. Thank you lord for your blessings on me. The first part of the song went like this. There a roof up above me and fine place to sleep. There is food on my table and shoes on my feet. Thank you lord for your blessings on me. I will never forget her getting up and singing this song. When she was struggling as a single mother raising two children. She always put Christ first and witness to me many times .And never judge me when I failed in my walk of faith. Thank you aunt Dorothy may you rest in peace. And see all your love ones and have a great reunion and tell Susie I will see her and you again some day.*

“ *I will always remember how "cool" she was. How independent she was. She could play out in the dirt with us kids, work on the car and teach us things as she went. We were very close as I was growing up and I hate that the years have separated us as our lives went in different directions. She was Wonder Woman to me and I looked up to her. She went out of her way to make my childhood special. From her summer camps to her sleepovers and many outdoor adventures. She made me laugh even up to her final days. I will miss her terribly! But, I know she's up in heaven with my Mom & Dad, and those she has missed, having one heck of a reunion!*
