“ I was so very blessed at the age of 4 to meet Dorothy Hyles, who I have called my grandmother all these years! She adopted me to be her granddaughter while I was living on her and Charlie's farm at the age of 4! I fell in love with them and they treated me as their very own from then on! I am so saddened that she has gone to be with the lord but at the same time I am so excited she gets to go home to her Charlie and all of her other family members. I will always remember her kind words, kind heart, and cherish every moment that I spent with her! Her last words to me last week were that she loves me and to take care of my boys, and that I promise to do! She was such a blessing to me!! I love you Dorothy Hyles and you have forever left an imprint in my heart!!!! Thank you so much for being the only grandmother I have ever had!
