“ Kevin, After we moved to Winslow, Uncy Scoe and Aunt Dot came for a visit, she carrying a 'sock monkey' one of her friends had given her. For years she carried it everywhere she went telling everyone that it was her baby. Seventeen years later you came along and, well you sort of resembled that monkey.
With Aunt Dot's passing the King family is no more. I feel for your loss and understand the sorrow that comes when such a bright light is extinguished. Drop me a line and let me know how you're doing.
Love You Much, Kaye

“ Roscoe and Kevin were our first neighbors when me and my parents moved to Corsicana in 1983. She quickly grew to be one of our family's friend. I have fond memories of growing up around this sweet, gentle lady through the years, even as we moved to another neighborhood. I loved her laugh and am blessed to have known her. My sincere condolences go out to Kevin, Bonnie, Terri Joe, Eddie and family. Rest in peace sweet Dorothy.
