“ *Robert, so sorry to hear about your mom. To say I have a lot of memories in which she was involved would be an understatement. Lynn, Carolyn and I visited with her for a little while when Mrs. Warren was in Heritage Oaks. Carolyn made the comment that Mrs. Martin probably thought her worst nightmares were coming true when she looked up and saw the 3 of us walking toward her. She was a special lady (had to be to put up with all of us) and my thoughts & prayers are with you and your family. Glenda*

“ *So sorry to hear of your loss, Mrs. Martin was a very sweet lady and we always enjoyed visiting with her while she was at Heritage Oaks West. I know Mrs. Coppock enjoyed her as a friend and roommate.*
