“ *I will always cherish the memories I have of visits with Dorothy and Shirley. A visit with them was like "going home". You knew that you did not have to be invited, the door was always open and you were greeted with Dorothy's smile, a good cup of coffee or tea and most times she would insist on feeding you as well. Dorothy was a great cook. Yes, I miss those visits to her house, but will always cherish the wonderful memories I have of the wonderful loving and caring person that Dorothy was. Both she and Shirley have a special place in my heart.*
