“ My first acquaintance with this family started when Andrea and Ryan met. I wanted to meet the people my daughter was spending so much time with. It didn't take long for me to understand. Not only Larry & Rita, but PawPaw & MawMaw's loving/caring ways surrounded me too. What a wonderful family! God only knows how much MawMaw will be missed! Her laughter, her hugs & kisses, Sunday Dinners and even her snores and much more. We've all been blessed by having known her. With all the love she passed around, I can't help but feel a part of her will live on. I love you guys, and I'm so sorry for your loss.
