“ *I remember fondly Aunt Dorothy babysitting me when her family lived in Dallas. I loved her very much and will for eternity. You suffered so much those last few months. You deserve to rest in peace now. I know you're in Jesus's arms now. I'm looking forward to seeing you again some sweet day. Terry and Gene PLEASE know I'm supporting you with my prayers and love and always will. God is there all the time watching and waiting patiently and cares for you deeply and always will. Love and prayers at this time of sorrow and loss.*

“ *Dot was a very precious Lady and my friend. We had so much fun together going to see James Wages. I had the honor of visiting her a few weeks ago and praying with her at the end of our visit. She’s not in pain anymore and we will see her again. Dot thanks for the memories. Love you and miss you.*
