“ *Dear Greg,
I am so sorry to hear about your mother.
She was so sweet. I remember the first time me and my girls came from California the first thing we did was go to your mother and dad's grocery store. They were real nice people. I know how you feel. We lost Dad two months ago. The pain only last for a little while but our memories of our loved one last forever. I am the Mom of Carol Lynn , Darla and Marsha Ansley. We extend our deepest sympathy to you and your family.*

“ We will always remember Dorothy having the store where we always went after we got home from school. Our prayers are with you it's very hard to loose a parent and the void seems to always be there. We just have to remember that we will see them again in a much better place. She was a wonderful lady always so happy and a smile on her face. Cherish those memories. With all our love, Johnny and Jennie Sutton

“ As a child, I have alot of great memories and one of them is the store down the road. The store was always was there in a pinch or to kill that soda/candy craving. In our family photo album we have pictures of my brother on a tractor in front of the store. His first tractor ride. I remember dorothy and allen face when dad and bubba showed up. Anyway, Dorothy was like a grandma, always caring and smiling, and always helped out when she could. My prayers and thoughts are with you. She finally gets to be reunited with Allen. God bless the stoehr family.
