

Dorothy Tucker

September 18, 1920 - January 19, 2009

Dorothy Ruth Tucker left this world to be reunited with her husband of 55 years on January 19, 2009. She was 88 years old. She began her journey in Frost, Texas on September 18, 1920 being one of ten children born to John Sims and Willie Eunice York. She married her soulmate, Eugene Tucker, on June 23, 1940. Having spent most of her married life in Corsicana, the Tuckers began worshiping and were charter members of North Beaton Church of Christ. Dorothy became affectionately known as "Granny" by numerous kids and teens while she and her husband ran the Corsicana Skating Rink. After spending some time living in Irving, the couple, made their move back to Corsicana in 1985. Having lost Eugene in 1995, Dorothy spent her remaining years living in their family home being cared for by family. She is survived by daughters and son-in-laws Pamela and Ernie Nelson of Limestone County, Janice Prowell of Alvin, Patricia and Bobby Latham of Kirvin; 10 grandchildren, 18 great grandchildren, 2 great great grandchildren; brother Alton York of Quinlan, sister Wanda June White of Dallas; several nieces and nephews; cousins Helen McCarter of Corsicana; and honorary family members Dene and Lynn Tomlin of Elkhart. The family extends a special thank you to Ruby and Bill Jordan and their family for the exemplary care and love they showed Mrs. Tucker in her final years. They went above and beyond the role of distant cousin by putting their own lives on hold to care for her. Funeral services will be 1pm Thursday January 22, 2009 at Griffin-Roughton Chapel with Bro. Steve Orbison officiating. Final resting place will

be at Hamilton-Beeman Cemetery.

“ *Patty:*

Just wanted to let you know how sorry I am to hear of the passing of your mom. She was one of the sweetest people I had ever met. I will neevr forget the first time my family met your mom and dad, and we spent Thanksgiving together. Your mom accepted me right from the very start and made me feel so welcome. It just grew from there. Your mom has a special place in my heart. She will always be remembered and loved by me and my family.

I can honestly say I know what you are going thru with loosing my mom a little over a year ago. Its a hard road to travel.

Just remember I am here for you whenever you need me. And if there is anything I can do for you please let me know.

I really am disapointed I will not be able to make the services but I will be with you in thought and in my heart. Prayers go to you and all of your family.

Love you always.

“ Nanny,

I love you and it's hard to let you go. But I know how hard it has been on you since Papa left, mainly the past few years. It'll really hit me that you're gone the next time I run to Corsicana and go to make my routine stop by your house and you won't be there. It hurt seeing how much you'd change each time I'd come by, never knowing if that would be a day that you'd know who I was or if it was a day that you would look at me without a clue. I treasure the memories I have of you, especially the ones of me, you and Papa at the lake. Now I can even treasure the sad times of when I was living there taking care of Papa because it was time I got to spend with you. I hope I made you proud. Even though I wasn't the best granddaughter in the world, looking back now I can say I had the best grandmother. I'll miss you but I'll never stop loving you.

“ Pam,
I am so sorry that your mother is now gone. I will always remember her getting off the car and waving at us. Greeting us and talking briefly about one thing or another. I know it has been many years since I last saw her but I still remember THOSE GOOD ole days. It is so hard to lose a Mother. I was remembering mine last night. I invited her to spend the night with me. I still talk to her and TOM as if they were here. I just cannot stop doing this. I miss them soooo much.
Take care girl

“ *My aunt was one of a kind. We had many happy years with her. I used to spend a lot of my summers with her growing up. She would fill a room with her laughter. She will be truly missed*

“ *Mom I just wanted to say how much I loved you although I could never tell you, you always knew. I miss you so much, and miss all our phone conversations we had. I come to visit you and daddy often and talk to you.*

I am so glad ya'll adopted me and gave me the right footing to grow up and be the person I am today, who knows what kind of life I would have had if you had not "found" me.

I feel so lost and alone now that you are not here with us and feel I have no one. I know you and daddy are having a great time and one day maybe I will join you.

You were a great mother and nanny to my kids and they loved you for that. We only wished we could have spent that last day with you but that was out of my control and I hope you knew that. My whole life has changed because of that last day, and it has changed on how I look at the situation now.

There will never be another set of parents as I had with ya'll. You both were loving yet stern and only wanted the best for me. We love you and miss you dearly. Just know how much I love you!
