

Dorothy Walston

May 3, 1920 - November 5, 2010

Dorothy's life spanned from horse and wagon days to jet travel. The second of ten children born to David G. and Willie L. McCullar, Dorothy was born May 3, 1920 in Kiowa, Ok. She lived in Oklahoma, Alabama and Texas. Dorothy married G. G. Walston on Jan. 19, 1936 and together they raised five children. Dorothy was a hard worker. Dorothy's greatest love was her Lord Jesus Christ. She loved sharing her faith; talking about the latest scripture God had given her. She taught children's and adult Sunday School classes and visited shut-ins for many years. Music was a big part of her life and she could be heard singing a gospel song as she did her daily chores. Dorothy was a great Mother, Grand Mother, Great-Grand Mother and life teacher. “ I was glad to have met Dorothy. It was my honor to care for her during the last few weeks. I know she did not suffer and I praise God for that. May the God of all comfort-comfort you during this time of need.

Nona Shirley RN, Mercy Hospice

P.S. Maybe you will find comfort in this: On the last visit I push Dorothy to the dining area where she always sat. She smile and waved "hello" at the two women across the table from her. She had made friends with these ladies and looked forward to dining with them. She was at peace.

“ I'm so sadden to hear of my Dear Aunt's passing. Aunt Dorthy was so special to me Spending several summer vacations during my childhood with her in her Oakwood home made a big impact on my life. She was great sister to my mom and always there to help her with everything. She is at peace now and I know in her new Heaven Home. I pray God will be with the family and give them many treasured thoughts and precious memories to help comfort now and remain with them always. Love and Sincere Sympathy

“ To all of Dorothy's family we send our sympathy to you .We were so sorry to hear of her passing but we know she is with Jesus now and is happy and healthy.She often talked about Heaven and going there.One of God's greatest joys is when he calls one of his children home.We know she was one of his children and find comfort knowing where she is now.
