“ Please forgive us for responding so late. Judy and I only learned of Doyle's passing when we read it in this week's papers.

I always pictured cousin Doyle as "larger than life."--a man with a determined spirit, common sense, and gifts in the "mechanical" and "entrepreneurial" side of the male psyche that seems to reside in many of the males in the Daniel family!!

Our prayers of comfort are with you and your family. May God Bless.
