“ Though Doyle and we did not see much of each other in the past few years we are so saddened by his passing. He meant so much to this community and to us personally. Over the past 25 or so years, Doyle and Jeanie have proven to be solid Christian friends and Americans. Doyle will be so badly missed.

Bro. Doyle was such a precious man. Jimmie and I thought so much of him. He will be greatly missed. I know you and cindy will miss him. Our only consolation is that we will see him again. What a great reward!! Take care. If there is ever anything I can do for you, please let me know.

God Bless and Love you,

“ I was saddened to learn of the passing of Doyle Seale in the Freestone County Times we just received today. We lived in Fairfield from 1983-late 1987, and made trips there into the 1990s and since then. Our second daughter was born there. I used to work for HL&P at the Limestone Plant and we had an acreage just west off of FM27. Over the years I always enjoyed knowing and seeing Doyle during the Freestone County Fair & Rodeo. He was always such a nice man and always glad to see us. I have thought of him often over the years, and wish that I could have seen him more recently. We were last in Fairfield last March for an overnight visit and to have dinner with our old friends Dwayne and Joanne Farrell. We hold Fairfield in a special place in our hearts and memories which is due in large part to having known Doyle. Best wishes to all of his family. Bud & Tereasa Dose
