“ To the family of Dr.(Doc)Jim Curington-our hearts are truly saddened at your loss of such an awesome man. I grew up going to the church at North Beaton, and for as long as I can remember, I can honestly say that he was one of the most genuinely sweetest men I knew. He alway had such a sweet disposition, and always a kind word to say. Jimmy, my husband, can remember how welcomed he made him feel when he visited North Beaton. No matter how he was feeling, he always would confront me and say,"How are you doing sweetie?" I also saw him in the doctor's office just weeks before his passing, and I know that he was in excruciating pain, but still had such a sweet smile, and again, said, how are you and your family. Another fond memory of mine is his love for music, and his beautiful voice that would fill the auditorium at North Beaton. I know the Lord has called you home, but you will be so truly missed here. Our thoughts and prayers are with you and your family.

“ Mildred and family, I just now found about about Brother Curington, and am so sorry I didn't know sooner. My deepest sympathy to all the family.

What I remember about him was his friendliness when I first became a member of the Church of Christ - his sincerety has always stayed with me and I will always remember that he judged not one person.

Dyce, I am so sorry. Of the children, I know you best. It's really hard to lose a dad - I won't say I know how you feel, because we all feel different when we lose this key person in our life. I am so very sorry for your loss, Becky.

“ *I was saddened to read about Dr. Curington's passing in the newspaper. I grew-up going to the Church at North Beaton and always enjoyed speaking with him and listening to him talk. He seemed to always have such a positive attitude and was a pleasure to be around. I will miss seeing him, but I know that he has been called home to be with our Lord, where he is now needed. May you hold fast to the fond memories that you have of the time well spent with him and God Bless You for sharing him with us.*

“ Dear Mildred,

Donna and I are deeply saddened by your loss. We have lost a cherished friend and leader in our community. A man of strong moral character, great humility and unconditional love. The courage and strength with which he faced his illness are further testaments to his character. He made our lives and community a better place to dwell. Dr. Currington gave me back my health and set me on a path to follow his footsteps in chiropractic. He was always there for me, to hug me and offer encouragement when times were hard. We will miss him deeply.

Please know that you and your family are in our hearts and prayers. We hope that your warm memories and the love of the many people whose lives he touched and blessed will be of comfort to you in the days ahead.

*Sincerely,
Glen and Donna McAdams*

“*Man, relation or acquaintance, that's a tough one. That's why I always had mom around. To tell me (dummy) how I was related because I could never remember.*

What I remember, let's see. I only remember him from our annual trips to Corsicana, which I miss dearly, for the family reunions. Seems like he was always sitting in a chair, his I assume, with a pipe in his mouth. He would meet us at the door with a big smile and hug. He was a big part of the whole Corsicana "experience" for me. The 2-story old house, the other house (can't think of a better title), Phil's room and the school across the street. Man, I hope that's all good info. Anyway, a warm wonderful gentlemen who always made me feel like I was kind of "his" grandchild, along with Mee-maw & Paw-paw's. What a loss. I feel for you guys and gals. I'm sure he, mom, Phil and paw-paw are all up there setting the table, waiting for the rest of us to "sit at the table" with them.

We will be unable to attend either service, but TRUST ME, when I say, your in our thoughts, prayers and heart.

Betty, Dyce and Trey, I hope all is well with you guys. Miss all of ya'll.

Love Roger, Allison, Tyler (9) and Justin (17 mos.)

“ I have thought of nothing but this awesome man since I got the call. I remember from all the reunions how touched I was how he ALWAYS embraced anyone new whether by marriage or whatever with his smile and that twinkle in his eyes. One would feel totally embraced without even touching him. And of course there was a song forever on his lips and always in his heart. How I enjoyed hearing and observing he and my precious Mother sharing their musical talents. My husband Jim also thought the world of Uncle Jimmy and was so appreciative of how he welcomed him into this wonderful family..I could just go on forever..just know my deepest love and thoughts go you my sweet, sweet Aunt Mildred and to Dyce, Betty Lou and James my deepest sorrow at the loss of your Daddy..I wish I was there to hug you all..The most positive thing I can think of is the reunion that will occur with Uncle Jimmy, Phil, Druellyn, Jie, Roy and all those that went before him...Much Love, Sue Frances Tyner Dempsey & JIM

“ *Betty, as daughters, we develop and live within a special bond with our father. And for those of us who are blessed with wonderful men in this capacity, our loss can be comforted by no words of this world. Only the peace and love of our Heavenly Father can begin to heal the pain and void that occurs as we bid farewell to the hero we called Daddy. As a Christian, you know this farewell is temporary, and I pray that you will find comfort in the truth that your Daddy will be waiting to greet you when you make your journey into heaven. God Bless you and yours, my dear friend and sister in Christ, Deborah.*
