

Dr. G. Hicks - Fairfield

July 6, 2010

Dr Allen Greer Hicks, 67, was suddenly called to Heaven on Tuesday, July 6, 2010. Hicks was born in Teague on November 20, 1942 to Margaurite and Jimmy Hicks. In 1966, he earned his Doctorate in Veterinary Medicine from Texas A & M University after graduating from Tarleton State University. Hicks proudly served the citizens of Freestone and surrounding counties through Freestone Veterinary Hospital for over 40 years. Among many things, Hicks truly valued his clients and was well-known for treating animals at his home during all hours. As needed, he would refer cases to A&M and they were often quoted as saying with confidence, "If Doctor Hicks said that's what they have...then we're sure that's the correct diagnosis." In addition to his career, his hobbies included hunting, fishing, gardening and his grandsons; however, Allen Greer was best known for doing whatever he wanted... whenever he pleased. Dr. Hicks will be greatly missed by his wife of 45 years, Claudette Hicks; son, Bradley and wife Erin Hicks of Fairfield; sisters, Bobbie Hicks of Teague and Joyce Nichols and husband Kenneth of Teague; neices, Kim Pendergrass and Kristin Carpenter both of Teague and his precious grandsons Greer and Holden Hicks of Fairfield. Funeral services will be held at First United Methodist Church in Fairfield on Saturday, July 10, 2010 at 10:00am, followed by graveside service at Greenwood Cemetery in Teague. In remembrance, the family request donations to be made to the Dr. Allen Greer Hicks - Freestone Veterinary Hospital Scholarship Fund established at Community National Bank in Fairfield and Prosperity Bank in Teague. Fairfield

and Teague graduates will be eligible to receive the scholarship.

“ *This is June 27, 2017, and my brother, Allen's, seventh year of death is coming on July 6th. I, along with my husband, my sister, Allen's family and many others, miss Allen very much. It's strange how you start feeling a little heavy hearted and teary-eyed and you don't know why and then you realize, oh, the anniversary of my brother's death is a few days away. It's so sad that he was taken at only 67 years of age when it seemed like he would live forever. Allen, I will see you again one day, but until then, I will keep in my heart and in my memories you, my smart, gifted, witty, honery, loving brother.*

Love, your little sister - Joyce

“ *Words don't come when you lose someone who was always in your life. Who would sit up all night with you to walk a horse, try to save the family pet or make you laugh. Life is tooo short to lose just great friends. Whether you saw them yesterday or 10 years ago. Whether you had money or not your need was always greater than his. Claudette, Brad and Joyce, maybe not family, but friends forever. Teague was a magical place to grow up and God blessed us with dear family friends. Love, Cathy, Justin, Jeffrey and Stacy Carruthers.*

“ We will always appreciate Dr. Hicks sincere concern for us and for our pets. We were so touched when he gave Mrs. Watsons Beasley (beagle puppy-Freckles) to us after the death of our daughters beagle. He took the time to come to our home and tend to the passing of the beagle when our daughter was the tender age of 7. His compassion was overwhelming. He will truly be missed and never forgotten. “ Brad,

Words seem kind of trivial right now. I hate this for you and your Mom and family. It's not easy losing your Dad, no matter what. Wish I was there, maybe we'd hang out on the front porch and talk about life, love, and the passing of a good man and one heck of a vet. Your Dad helped a lot of people and their animals, and his actions showed he cared. I respected him, not only because he was a good vet, but because he was a friend to my family, and your Dad. You are in my thoughts and prayers, my friend.

“ I was late in learning of the passing of Allen Greer, but wanted to add to the many affirmations of his life and to the condolences expressed to his family. I have many good memories of our growing up together and always looked forward to seeing him at THS homecoming. Based on the many tributes I have read, his care for the animals entrusted to his care was exceeded only by his concern for this who brought them to his office or who he met on a "house call." He will be missed.
