“ *I was deeply saddened to hear of the passing of a very special person. Brother Hart helped me through some very difficult times. He was always there with some encouraging words and usually a good laugh. To the family, may you find peace and know you will always be in my thoughts and prayers.*

“ Bro. Hart will be missed by many and especially by our family. We have known Bro. Hart since the early 70's. He loved eating the Brown's watermelons and sharing all kinds of stories. He is truly a one of a kind Charactor always happy and positive. He would always have a pocket full of candy to share with everyone. Bro. Hart is a great example of a good Christian Man always working for the Lord. He Baptised a lot of my family members including myself and my Husband. Sympathy goes Out to the family.

“ Bro. Hart will always be special to us. He performed the marriage ceremony of our oldest daughter Yvonne and her husband David twenty eight years ago. He also performed the memorial service for my Grandmother and Father. He has been a friend since the early 70's always stopping by for cookies and coffee. He will be truly missed by all who knew him. Our sympathy goes out to Kathyryn and Family.
