“ *One icy day in Oklahoma, I drove over to pick up Delores from her house & bring her to Mike & Cathy's. The driveway was so steep....and a solid sheet of ice....so, she & I had to crawl across the yard to the curb where my car was parked. We were laughing so hard we could hardly catch our breath. I'm sure the neighbors thought we were crazy. That is how I will always remember her. Laughing & full of life.*
