“ *I am so saddened by the passing of Bob. He was always so kind, so helpful and the best "room father" I have ever worked with. Your family was very much a part of my family for so many years and for that I was blessed. I am flooded with memories- mostly of mischievous boys and times when Bob & I had to join forces to keep up with Patrick, Matthew & Travis. How fortunate we all were to have learned from such a wise man. I pray God's peace be with you all during this time of loss.*
