“Nancy im so sorry for your tradgic loss. Dustin was a very sweet young man. I have known him since he was a little boy, he was so brave to have fought the battles he has fought. His beautiful smile will be very much missed. I remember when my dog got ahold of his cat. I thought he would never like me again. He came down to my house with a shot gun and threatend to kill my dog. He loved his cat dearly. That was probably the only time in 23 years i ever saw dustin mad besides the times when he would fly by my house and i would holler at him. I still have much love for him and will miss him so much. Ericka, Kayli, Nancy, You will always be in my prayers. If you need anything i am just a phone call away!

“ Smooter, there are so many things that we will miss about you! There were times when we wouldn't here from Smooter for weeks and then I would come home from work and he would be asleep on our couch or out causing trouble with Billy, Jordan, Brandon, and Marc. I was so mad at him and Marc for blowing up our mailbox New Years Eve! BUT: We are never replacing that mailbox! Smooter definitely left his mark! Thank you for being nice to DiAblo. I think you were the only one who "Honestly" appreciated his evilness :) We love you and we will never let you be forgotten.

“ Our family has truly been blessed to have known such a special young man as Dustin. He was always such a kind and gentle spirit, even under difficult circumstances. We don't think we ever heard him say anything, but something good, about anybody. We also especially remember his thoughtfulness to take the time to come visit us on most holidays. We will miss Dustin's beautiful smile, and he will remain in our hearts forever and ever. Until we meet again in heaven.....

“ Nancy and Kayli,

Words can not properly express how much we love you and your family. Dustin was always in and out when the children were young. I remember the kindness you and your family showed ours when we first relocated to Mildred all those years ago. Dustin was a kind respectfull young man he always had a smile, and a helping hand when we needed one. Those days went by too fast on Dyer Dr.

Nancy, I can not even begin to image the pain in your heart but I know our Lord will give you the peace that passes understanding in these difficult times ahead. If you need anything at all do not hestiate to contact us. It seems like only yesterday the Boys, Chris and Dustin graduated high school. I will pray for you and your girls and the rest of your family. May God's Love surround you in this your greatest hour of need. Kayli, if you need us we are here for you baby girl J.P. wanted me to tell you how sorry he is for your loss and that he will be praying for you during this terrible time. We love you and will miss Dustin the world is a much colder place without him. Remember we will meet again one day in the sweet by and by. All our Love

“ Nancy, Erica, Kayli and all of Dustins loved ones, I can not imagine the pain you all are enduring at this time. I was deeply saddened by the news of Dustins accident. I know that your faith may be shaken at this moment, but always remember our God is with us at all times, hold on to Him as He walks you through this dark valley, for He is the same God in the valley as He is on the mountain. Although I had not been around Dustin in several years, I remember the great times on Dyer Drive that all of the kids had, running in and out of each of our homes, filling them with so much love, life and laughter. I treasure the love that we all shared in those times. The kids and I reminisce often of those "good ole days". I am so thankful for the time we were able to share with Dustin in this life time and I know we will see him again. I know that he is in the arms of Jesus today where there is no more pain or sorrow, and he will be watching over each of you as you carry on. If I can help in any way , please call me, I am here for you any time.

“ I will never forget the first time I met Dustin.
He had just left the office after getting hired to start working at Gilberto's and he came over to the restaurant. He introduced himself to me and said that he would be starting the next day. He was so excited.
The first thing that I noticed about Dustin was that smile. That beautiful, infectious, smile. When he smiled, it made everything alright, no matter what kind of day you were having. That smile is what I am going to miss the most about Dustin.
He was a hard worker, always working for his co-workers when they asked him to (I don't think he ever said no, or even knew how to), always helping out whenever and wherever he was needed in the restaurant.
He will be very greatly missed by all of 'The Gilberto's Crew'.

Our family shared so many memories with Dustin from family gatherings, special holidays, 4 H events with the children, eating family meals together, laughs, cries, and so many more. He was unique in so many ways and always so full of life. Dustin was one of those people who lived life one day at a time and found good in everyone. Dustin was Sean's right hand man and always did what he said he would, a man of his word.
