“ *I met Earl Jr. 13 years ago when I married his granddaughter Sheila. Initially, I didn't think we had much in common, as I was born and raised in the city and he was a rancher. Though our respective personalities and backgrounds are very different, I grew to respect him as a man of his word, who like me valued honesty and integrity. As articulated at the memorial service, he also came to know Christ approximately one year before his departure, and I was priveleged to witness his baptism. Brother Earl, rest in the Lord's love and peace. Thanks to his pastor and nephew for wonderful evangelistic messages at the memorial service. Thanks to you g'ma Jessie for a 50 year living witness of Christianity to your husband.*
