“ *Many regrets to the family.
Did not know him personally, but was aware that he did many good things for other people. He is in a happy place now and for eternity.*

“ *I was so sorry to hear about Leon. I will always rememeber driving up to the shop and Leon sitting on the bench out front. He always had a smile on his face. Mary, you and your family are in my thoughts and prayers. Anything we can do for you, just let us know!
We love you!*

“ I'm going to miss hearing him in the mornings when he came by the office. All of his funny little sayings. Leon was one of the best men I've ever known and Mary ya'll had something special. You have lots of good memories with him, dwell on those. If you need anything, I'll be here.

Love you,
Carrie
