“ *The best big brother a girl could ask for. He always had my back and even when we fought like cats and dogs I knew I could count on him. He always let me tag along if I wanted even when it wasn't convenient or cool and he got me tickets for an elvis and Fleetwood mac concerts. I miss him. Fly high with the angels bubba until we meet again. Give mom a kiss and dad a hug and tell them that I miss them. Love always fat rat retha*

“ *This man was so good to me and my children. He has always been my family in my heart and he inspired me with all his knowledge. I learned many things such as roofing, Sheetrock, and well how to get stuck. (that seemed to be a thing with him and Burr) . He loved us and I will always cherish the memories that I have. We love you all of you and if y'all need anything we are right here. Prayers of comfort.*
