“ We love you guys and were here if u need us. I loved ur dad. I prayed hard for him daily. But he is living the good life now where he is whole and healed. I'm pretty jealous of him :-) he gets to be in the presence of our Lord and creator. What a lucky man. I love you all and hope that God give each one of you a peace about all this and know u will be with ur dad again when we are all with our Father in heaven. I love you Vicky and if u need anything let me know. And I love u too and u are my sister through Christ. The Lord has brought us a long way. :-) Jody I love u too. If u need me let me know. “ Angie and Jodi,
I am so sorry for the loss of your father. I cannot imagine the pain that you are going through. I know that no words can make the pain go away, but just know that he is now at Home and is no longer in pain. You will see him again someday, but for now, you will always have the memories to get you through the day. I will pray for your healing and the healing of your family. Angie- he now has the best seat in the house to be watching the World Cup! I'm jealous! Take care and may God bless your family!
